*Gain Knowledge to Change Lives*

## Become a Sponsor // Medical Fitness Tour

You are invited to be a part of the **Medical Fitness Tour**, brought to you by the **MedFit Education Foundation**.

The [MedFit Education Foundation](#) (Foundation) a non-profit 501(c)(3) organization was founded to elevate the quality and amount of available education for fitness professionals to learn how to best work with our aging population or those with medical conditions/chronic disease or those with disabilities. The Foundation's primary goal is to facilitate professional webinars and live education workshops across the country.

We are offering approved speakers an opportunity to promote themselves in a session, introduce their courses, workshops services or products, and have a vendor table at these events. They will also be given the opportunity to be interviewed by MedFit TV to promote themselves and their session.

Medical Fitness Tour 'stops' are multi-day events for fitness & allied health professionals, physicians, medical & integrative wellness centers and those in academia. Pre-conference workshops are offered, in addition to the main conference. Events include lunch & learn discussion groups, and evening networking mixers for presenters, attendees and sponsors. Continuing education credits are provided to fitness professionals and registered dietitians.

Speaking topics may include (but are not limited to): *Active Aging, Alzheimer's, Arthritis, Autism, Brain Health, Cancer, Cardiovascular Disease, Diabetes, Working with Persons with Disabilities, Fall Prevention, Fibromyalgia, Genomics, Health & Wellness Coaching, Joint Replacement, Mental Health Challenges, Multiple Sclerosis, Nutrition, Parkinson's, Osteoporosis, Respiratory Disease, Sleep, Stress Management, Stroke, and Women's Health Issues (including pre- & post-partum care)*

We believe education is crucial and that fitness and allied healthcare professionals working with the aging population must have a higher level of knowledge, skill, and expertise. We also believe that this type of knowledge has the highest growth potential.

We are excited to bring top educators in the fitness, healthcare and medical communities together to present on important, relevant and evidence-based topics. The Tour sessions will also be filmed and made available on MedFit TV for those who cannot attend live.

The Foundation's vision is to make this type of education available in every state and continue to build the [MedFit Network](#) (MFN) registry of qualified professionals in the area of prevention, treatment, and rehabilitation of chronic disease/medical conditions.

A COLLABORATION BETWEEN

# Sponsorship Levels // Medical Fitness Tour

## Platinum Sponsor // \$2,000–\$2,500

*[One Platinum sponsorship per event]*

As a Platinum Sponsor of a Medical Fitness Tour conference, your organization receives:

- Title Sponsorship of a catered evening mixer for all attendees.
