

About the *Professional Education Webinar Series*

The MedFit Education Foundation's industry acclaimed *Professional Education Webinar Series* offers an easily accessible point of entry into the medical fitness space.

- We offer 50 webinars per year. Webinars receive 300-1200 registrants.
- Webinars are presented live on Tuesdays; a recording is provided to all registrants the following day.
- We offer 5-10 webinars with free registration each year. The remaining webinars are priced at \$9.95 each, and sold on MedFit Classroom (medfitclassroom.org). All proceeds support the creation and distribution of webinars.
- MedFit Network (medfitnetwork.org) professional members always receive free access to all webinars as part of their membership.
- A library of past webinars is hosted on MedFit TV (medfittv.org). Annual or monthly subscriptions to MedFit TV are available for industry professionals and facilities. MedFit Network members receive access to MedFit TV as part of their membership.
